## **Disclaimer**

**Gasser Consulting AG, Zurich**

### **1. Contents of the Website**

The author does not assume any liability for the currentness, accuracy, completeness or quality of the information provided.

The author shall not be liable for any tangible or intangible damage caused by using or not using the information provided or by using wrong or incomplete information, provided the author has not acted intentionally or grossly negligently.

All offers are subject to change and are not binding.

The author expressly reserves the right to change, amend or delete all or part of the pages, or to suspend or finally stop the publication, without prior notice.

### **2. References and Links**

Where direct or indirect reference is made to other web pages ("links") which the author is not responsible for, the author would only be liable if he had knowledge of the contents, if it was technically possible for him and could be expected from him to prevent unlawful contents from being used.

The author hereby expressly declares that the pages showed no apparently illegal contents at the time the links were made.

The author does not have any influence whatsoever on the current and present design, contents or authorship of the linked pages. That is why the author cannot be held responsible for the contents of the linked pages which have been changed after the link was made.

These provisions shall apply to all links and references made by the author on this website as well as to any third-party entry made in the guest books, forums and mailing lists provided by the author.

Only the provider of the page to which reference is made, and not the author of the page which makes reference to any such publication by links, is liable for any illegal, wrong or incomplete contents as well as for any damage caused by using or not using any such information provided.

### **3. Copyrights and Trademarks**

Certain images shown are images taken from the website [www.pixelio.de](http://www.pixelio.de) or similar providers.

In general, the author tries to observe the copyrights in the graphics, audio clips, video clips and texts used in all publications, to use graphics, audio clips, video clips and texts he prepared himself, or to use license-free graphics, audio clips, video clips and texts.

All trademarks shown on this website, which may be protected by third-party rights, are subject to the provisions of the applicable trademark law and the property rights of the registered owners without limitations.

The fact that a trademark is named does not allow the conclusion that this trademark is not protected by any third-party right!

The author of these pages is the exclusive owner of the copyright in published objects he prepared himself.

Reproducing or using any such graphic, audio clip, video clip or text in any other electronic or printed publication requires the author's express consent.

#### **4. Data Protection**

If this website offers the possibility to enter any personal or business information (email address, name, address), the user gives this information expressly voluntarily.

It is permitted to use and pay the services provided without giving any such information or by giving anonymous data or a pseudonym - provided this is technically possible and appropriate.

Third parties are not permitted to use any contact information published in the imprint or any similar information, such as postal addresses, phone numbers, fax numbers and email addresses to transmit information that has not been requested expressly.

We expressly reserve the right to take legal action against the senders of so-called spam mails if they violate this prohibition.

#### **5. Validity of this Disclaimer**

This Disclaimer is part of the website which refers to this page.

If part of or certain phrases of this text should not, not any more, or not completely, comply with the applicable law, this shall not affect the validity and contents of the remaining parts of the document.
